

Teen Assemblage

Ages 12+

Instructor: Phyllis Garey

The Hill Country Arts Foundation is teaming up with the Upper Guadalupe River Authority to offer a fun and challenging workshop for teens! This camp consists of making art from the found objects removed from the river over the course of UGRA's annual river clean up.

Students will be encouraged to evaluate items for their shape, texture, color and comparative size before choosing their projects: Wall hangings, free standing or mobile. Works may be abstract or realistic and can be enhanced with paint and other objects. At least one collaborative work will be created.

July 29 – August 2, 2019 ONLY

A big thank you to the Upper Guadalupe River Authority for sponsoring this event!

\$50 per student*
Space is limited!

Register your child by calling the HCAF Visual Arts Center at (830) 367-5121
