Picking up Supplies
Heading out to their sites to clean up
Vehicles lined up to unload their trash at Flat Rock Park
10,695 pounds of trash and recyclables hauled away by the City of Kerrville, Garrett Services, Kerrville Recycling, and Republic Services
Kerrville Recycling took care of the scrap metal.

Republic Services hauled away recyclables generated at the event.
Garrett Services helped haul away trash
Once the volunteers dropped off their trash and returned to the headquarters, the River 106.1 FM held a trivia contest for prizes.
The volunteers also picked up their t-shirts, raffle tickets, and food tickets.
Ecological Fair Exhibits
Thank You Presenters!

TPWD
Hill Country Fly Fishers
Hill Country Master Naturalists
Be a Pollinator Champion
TCEQ
US Coast Guard Auxiliary
