

Notice
Plateau Water Planning Group
Workshop – Camp Wood, Texas
Nueces Canyon Senior Citizen Center
April 15, 2010 at 10:30 am
Addendum

Notice is hereby given that the Plateau Water Planning Group (PWPG) will conduct a workshop at 10:30 a.m. on Thursday, April 15, 2010, at the Nueces Canyon Senior Citizen Center, at the corner of Leon Klink and 4th Street, Camp Wood, Real County, TX.

The workshop will include the following presentations:

1. Presentation by John Ashworth, Planning Group Consultant, and Connie Townsend, Texas Water Development Board Representative, regarding the state/regional water planning process.
2. Presentation by Bill Hutchison, TWDB Groundwater Division Director, regarding GMA's, GAMs and Regional Aquifers.
3. Presentation by Ronald Green, Institute Scientist with Southwest Research Institute, regarding the use of water budget and related analyses to provide alternative calculation of the Desired Future Conditions.
4. Presentation by Jay Castro, Rio Grande International Study Center, regarding building an 8-state bi-national alliance to preserve and protect the Rio Grande~Rio Bravo watershed.
