

VACANCY NOTICE

Please be advised that the Plateau Water Planning Group (PWPG), Region "J" is currently seeking nominations to fill one vacancy on the Regional Planning Group. This vacancy represents the "Water Utilities" interests. The PWPG and Texas Water Development Board (TWDB) believe it is important to maintain balanced geographic representation on the PWPG. Please note that the referenced vacancy is currently held by Kerr County. However, residents of all counties are encouraged to submit applications. Geographic distribution will be taken into account during selection.

The Plateau Water Planning Group is a voluntary organization and no funds are available for reimbursement of expenses associated with service to or participation in the planning group. Successful nominees must represent the vacant interest ("Water Utilities") for which the member is sought, be willing to actively participate in the regional water planning process and abide by the PWPG By-Laws. Written nominations must be filed with the Plateau Water Planning Group at the address listed below no later than June 15, 2016.

Submit written nominations to:
